

Crear cuenta de desarrollador de Spotify

Accedemos a <https://developer.spotify.com/>

Create & manage your Spotify integrations.

Meet your dashboard. Log in to create new integrations and manage your Spotify credentials. Connect your Spotify Developer to your Spotify account.

Creamos una aplicación

Dashboard

Hey! Welcome to your dashboard. This is where you create developer apps with Spotify.

Confirmamos que la aplicación se creó. Eso me brinda el Client ID y el código secreto que me permite acceder a los recursos
